Mr. Woodard—I write to confirm my voicemail/email to you advising that I will be representing the City of Charlottesville in this case. Per my voicemail I understand that David Corrigan will be representing Mr. Thomas & that he has spoken with you already. I understand that a written waiver of service is expected as to his client & would appreciate your consenting to grant me an extension to file responsive pleadings on behalf of my client to the same date Mr. Thomas pleadings are due.

I will be out of the office starting noon on 12/21/18 over Christmas. I would appreciate your advising me at your earliest opportunity if Plaintiffs will consent to the requested extension. In that event I will promptly file a consent motion.

I look forward to meeting you.

Richard (Rich) H. Milnor
